M.E.B. REDEDICATION & RALLY DAY

You are invited to attend the Rededication of the Harold R. Mitchell Education Center Building today following our 10:00 a.m. worship service. As part of the rededication we will be honoring Angela Kendall and her involvement over the years in the area of children's ministries at St. Luke. The gifts to St. Luke from Angela's estate gave us the dream and provided the seed money to start the renovation of the Mitchell Education Center Building, which we finally completed in May 2024! With the Mitchell Education Center Building renovation now completed, we look forward to the next step which is the re-opening of our Amazing Creations Preschool later this fall. ACP was our successful ministry to families with preschoolers for over 20 years before we had to temporarily close it due to the pandemic in January 2021. Our prayer is that a refreshed ACP will serve the families of our Sunnyvale community for many years to come.

Here is today's schedule:

Worship Service, 10:00 – 11:15 a.m.

Rededication of Harold R. Mitchell Education Center Building, 11:25 a.m.

Picnic & Rally Day Activities, Noon – 1:30 p. m. - Favorite Sports Team Theme

We hope you are able to join us for this special celebration!

FruitSharing.com - Sharing Your Backyard Abundance

Dear St. Luke Family & Friends,

We are excited to introduce Fruit Sharing, a community service project started by Jacob Su and Brandon Pang. This project aims to reduce backyard produce waste and provide healthy options for those experiencing food insecurity by sharing your excess fruits and vegetables.

If you have extra produce to donate or need assistance with harvesting, please visit fruitsharing.com or contact Jacob and Brandon at fruitsharing1@gmail.com. They will arrange to pick up your donations or help harvest your fruits from your trees. All collected produce will be donated to local food banks and pantries. Thank you for supporting this wonderful effort to give back to our community!

IS THIS SOMETHING OF INTEREST TO YOU?

The Amazing Creations Preschool (ACP) Board and Director have the responsibility for ACP personnel and for establishing policies and procedures for the school. But their involvement doesn't end there - there are many activities of the school where, on occasion, a little extra help would be appreciated. This is where members of St. Luke could help establish a closer bond between St. Luke and ACP.

Walt Wilser is our garden guru and helps manage the vegetable garden with the children. He could use some help. Loretta Merry is our correspondent who will be writing thank you notes to people who contribute, buy bricks, or order from the wish list.

Every year ACP has a carnival and a spaghetti dinner and help is needed in those areas. Would you like to read a story to the children once a month? Would you be interested in being the extra hand when the children make Mother's Day gifts? Would you like to plan something special for the teachers? Or do you have some other talent to share? There are always opportunities where help is needed.

We are in the process of establishing a list of volunteers to contact for the various activities. If you would like to be involved in some way with this relaunch of ACP, please contact Sharon Bricker. It would not be a weekly or monthly commitment.
